MEMORANDUM FOR THE RECORD

25X1A

25X1A

1. Recently, [REDACTED] has announced his inability to continue in Agency employment at his current grade, GS-13. He announced his intention to retire effective as of the end of this calendar year.

25X1A

2. In reviewing the circumstances of this development, careful note was made of Subject's outstanding record and his presumed ability to serve the Office of Medical Services and the Agency in the future. At the same time, the need to maintain the Agency policy from personal rank assignments was reviewed. As a result, Mr. [REDACTED] was offered the opportunity for a promotion to a GS-14 with the understanding that within a two-year period his position would be upgraded to a GS-14 or he would be transferred to a GS-14 position in the Office of Medical Services or elsewhere in the Agency. If, at the end of a two-year period, no such opportunities existed, Subject would then retire.
